RE: Agustin Belmontez

To Whom It May Concern:

My name is Christina Saucedo. I am the HR Manager and Corporate Assistant for Love International Ministries. We are a local church that has worked with Agustin Belmontez on a few occasions. I personally have a tremendous respect for Agustin Belmontez. He is a professional that fulfills his commitment to accomplish and complete the job in a timely manner. I can attest that not all general contractors and/or builders demonstrate such a diligent work ethic as Agustin.

Furthermore, the onsite construction team has always acted in an exceptionally professional manner while the supervisory and management staff has responded to questions and issues in an urgent fashion.

From our experience with Agustin Belmontez, we would be pleased to work on future projects with him and would recommend him to anyone seeking an excellent construction company.

If you have any questions, please feel free to contact me at the number listed below.

Sincerely,

Christina Saucedo
